Application for Nominating Committee 2022-24 in District 28

Annemarie Loosli-Locher, ZC Schaffhausen, Area 04

For the 2022-24 biennium, I am applying at the district level to be a member of the Nominating Committee. Through my current work as district governor, I have contacts with Zontians in all areas and am always able to get to know new Zontians. In my opinion, these are good conditions for the tasks in the Nominating Committee.

I would like to motivate Zontians to make themselves available for functions on district level. Additionally I would like to show them that such a function allows deeper insights into our organization, which is very interesting and that the cooperation in the District Board also brings personal development.

I am member of ZC Schaffhausen. I served as Club President (2006 – 2008), as Area Director 2010 – 2012, as Lt. Governor 2018-2020 and as Governor 2020-2022. Besides Zonta I am working as lecturer and mentor (Teacher Education) as well as an expert for quality development and independent evaluator of commissioned evaluations (school systems). I have been married since more than thirty years and I have two children, a twenty-seven year old daughter and a twenty-five year old son. When time allows, I like to play the piano, work in the garden or go hiking. And last but not least - a good book is always on my bedside table.
