#### **Why I’m in Zonta?**

I have been a Zontian since 2001. I believe in the values of this great world organization and I believe I have played every role, elective and not, always with commitment. I think it is our duty to work together to empower and offer opportunities to improve the status of women, especially those less lucky than us. I believe in respecting the rights of women and girls as human rights.

Gabriella Fumarola
