## **YWLA:**

We can send two applications to ZI, each gets **USD 5000**

Proposal: the third person in the district ranking shall get **800 Euro**

**JMK / WBLA:** In District 28 we have normally no more than 6 applications

## **JMK:**

In 2025 we can send in two applications. ZI pays **5000 USD** each

What do we do if none of our application wins?

We can give 1000.- Euro to the best educated one in D28.

## **WBLA:**

For 2026 we can send two applications to ZI.

If one gets 10000 USD, we could give the second one 2000 Euro

If none of them get money from ZI, we could give each applicant 1000.- Euro

**This means we need 2000 Euro more in the budget for 2026-2028**
